MTL (QU) H1X1C2

(438) 835-7207

mewcheiko@gmail.com

## Lead Graphic Designer

Genesis Community  
Foundation

June 2022 - Dec 2022

- Designed art and copy layouts for material to be presented to head of the department.
- Arranged illustrative material and copy following knowledge of layout principles and esthetic design concepts.
- Worked with copy writer to ensure copy worked well with layout and that changes for sales material were correct.
- Extensive use of imaging software to retouch, restore, and color correct portraits to production standards.

## Freelance Digital Artist

Self - Employed

March 2020 - Present

- 3D modeling at an intermediate level, illustration, character design and possible storyboarding for variety of projects including animations, games, web and marketing or advertising visualization.
- Work with clients to develop the best solution for the scope and budget of their project.
- Maintain client relationships though periodic email, phone and in person contact.
- Help clients achieve their goals through education, customer service and guidance.
- Commission process runs smoothly, easy transaction process as well as great communication about what the client is looking for in particular and how to make their vision a reality.
